

# cafeteria tables

Our line of Mobile Cafeteria Tables are available with either bench or stool seating options with a variety of quick ship color choices.

Our UL approved tables feature generous spacing for easy entry, exit, and facility cleaning. **Mobile Stool Units** and **Mobile Bench Units** feature a torsion bar lift system for safe, easy, and reliable opening and closing. All stool and bench tables feature a two-stage security lock that secures the table in the open position as well as partially opened for floor maintenance and cleaning. Lift-off caster leg design ensures the tables do not roll around while in use. Safety storage locks ensure the table locks in the folded position for storage and safe transport.

Depending on your usage, cleaning, and storage needs you may choose from stool type seating with eight in-stock color choices or bench style seating. You also have the choice of either standard benches or flip up benches. Mobile stool and mobile table units are available in 8ft, 10ft, or 12ft lengths.

Frames are constructed with 14-gauge powder coated steel. Fully chromed legs are standard on Mobile Stool Units while they are options

on Mobile Bench Units. 13" Diameter stools come in eight color choices and are high-impact polystyrene plastic with reinforced ribbing for strength. Table tops and benches are available for quick-ship with MDF core and ProtectEdge. Optional plywood core with ProtectEdge or T-molding OR particleboard core with T-molding are also available. High pressure laminate table top and benches include cherry, grey, oak, and walnut on quick-ship and standard ship on blue, hunter green, red, and yellow.

Our **Mobile Convertible Bench Units** are perfect for a variety of uses. These multipurpose units easily set up in seconds. They can be used as a comfortable bench with a back or a table with a bench. The change is easy and fast. They can also be combined to make one large table using our optional ganging devices. Tables and benches fold and nest beautifully for perfect storage.

fifteen year warranty
